ROUND TABLE INDIA

Dear Friends,

Greetings from National Supply House.

Being part of Round Table India is indeed a great pride for all of us, as we have various opportunities to play a role in serving the society and in the process making great friends.

Supply House from National Board of RTI offers you a chance to enjoy both, “Give and Take”, by presenting before you the best gifts worth your money. Your contribution, however small will go a long way in uplifting the under privileged children.

We are glad to introduce the catalogue for all our products at Supply House and we are hopeful you will find them very useful in your personal and tabling lives.

Eagerly looking forward to your orders.

Yours in Tabling,

Tr. Bharat Bagla
